APPLICATIONS: DINING CHAIR

FINISH: OSMO® POLY X HARD WAX

OUR BRIEF WAS TO DESIGN AND CRAFT A CONTEMPORARY, YET FUNCTIONAL DINING CHAIR FROM IRONBARK TIMBER - KNOWN AS TORRANGORA BY INDIGENOUS AUSTRALIANS - A STUNNING, AND OFTEN UNDER-APPRECIATED, NATIVE SPECIES.

THE STRUCTURAL CONCEPT FOR THIS PIECE DITCHED THE TRADITIONAL CHAIR CONSTRUCTION TECHNIQUE OF MORTISE AND TENON JOINTS IN FAVOUR OF EXPOSED HALF-LAP JOINTS AND FLOATING TENONS SECURED WITH BRASS PINS.
